LuxCSD account(s): _____ (the "Account")

We, the undersigned client of LuxCSD¹ may hold, from time to time in our Account, Slovakian equities that are subject to Slovakian withholding tax (the "Securities"). In relation to the process of relief at source on income payments on the Securities in the Account, we hereby certify, represent and warrant to LuxCSD that:

- We acknowledge that no common relief at source procedure has been published by the Slovakian issuers being the withholding agents and that each Slovakian issuer therefore apply its own procedure for applying the relief at source on Slovakian dividend distributions;
- We undertake to refer to the tax notification sent to us by LuxCSD, for each relief at source event (Swift or Xact Web Portal message), stating the issuer's and LuxCSD's requirements in order to apply the appropriate procedure for the relevant Slovakian tax relief at source, when applicable;
- We further acknowledge that LuxCSD will not be liable to us for acting in good faith in relying upon this certificate or any other related documents provided by us, and we undertake to hold LuxCSD harmless from any loss, claim, liability or expense asserted against or imposed upon LuxCSD as a result of such action.

We irrevocably authorise LuxCSD to rely on the information contained in this certificate for the relevant Slovakian relief at source we are applying for in relation to the Securities.

We hereby appoint LuxCSD and LuxCSD's Slovakian depository for the Securities as our attorneys-in-fact with authority to collect and forward this certificate or a copy of this certificate, any attachments and any information relating to it to the Slovakian authorities, if these prove relevant to any administrative or legal proceedings or official inquiries undertaken or threatened.

We undertake:

- i) to ensure that the beneficial owners for which tax relief or exemption is requested, are indeed eligible for it and are complying with their legal obligations;
- ii) to bear full responsibility in the case of any cost, expense, loss, claims or additional taxes, interest thereon or penalties levied by tax authorities in connection with any payments made in reliance upon this certification, including any additional information provided in connection to it and more generally to bear full responsibility for any negligence we have made in relation thereto (such as, but not limited to no action taken by us regarding the applicable tax process for relief at source, missed deadline to provide LuxCSD with the requested documentation, etc.)
